Only the fact that the Government has leased our Missouri farm is this richly bred bull and our 7 foundation females offered in this sale. This circumstance of events has come about on short notice and while we have not had proper time to condition the cattle properly for sale, we know that you will appreciate their rich breeding and general high quality. All of our females selling in this auction are safely mated to this bull and they are lot numbers.

Divide Star Bullet—Divide Gold Bullet the sire of this promising young bull was used some in the Allen herd before he was sold. The calves at the Divide Ranch by him justify our confidence in him as a sire and had we not recently purchased the \$6000.00 Edellyn Prince Peter, our plans were to attempt to buy him back. This "GOLDFICE DUKE" cross has always produced thick, easy fleshing cattle. There is no gamble in using a bull bred like this flashy roan prospect.

## FOR REFERENCE ONLY

Duke of Killearn 1919448

Duke of Killearn is one of America's greatest sires. He sired the twice International grand champion Divide Patience 51st, the top bulls of the 1940 and 1941 International sales, both champions of the 1942 International Congress Show and Sale and the outstanding consignment to that sale and the grand champion of the 1943 National Western Show at Denver. In this sale are sons of this great sire and offer an opportunity to buy better bulls than ever before were offered in an Omaha Sale.

In the Merryvale and Allen Cattle Company sale at Merryvale Farms, Grandview, Missouri, on December 2, 1944, nine sons of the Duke of Killearn averaged \$730.00 and twenty-two females either sired by him or carrying his services averaged \$637.00. It is this same quality that you will find in this year's Omaha Sale.

**Divide Bandmaster**—Here is positive proof that the sons of Duke of Killearn are "breeding on." In offering Divide Bandmaster at South Omaha we present an opportunity to buy one of the best young herd sire prospects to be offered this year. You will note that he is sired by our Junior herd sire, Divide Brilliant, a solid rich all red son of Duke of Killearn that we believe, judging from his first calf crop, has a great future. "Brilliant" has a great head, is well balanced and straight and level in his lines and few bulls of any breed excell him in smoothness and thickness of fleshing. The dam of this promising youngster is a granddaughter of both Proud Archer and Browndale Goldspur. If you desire an outstanding individual backed by proven breeding, here it is.
